A complete list of all state contracts managed by DES is available at <http://des.wa.gov/services/ContractingPurchasing/CurrentContracts/>

DES also administers the Washington Electronic Business Solution (WEBS). WEBS is an electronic supplier registration database that allows businesses to showcase their products and services to all state agencies and political subdivisions.

You will only receive notifications for bid opportunities if you are registered in WEBS. You may register your business for free at <http://des.wa.gov/services/ContractingPurchasing/Business/>
